INVERNESS COUNTY IS NOVA SCOTIA'S SNOWMOBILING DESTINATION REGION

Visiting snowmobilers require a valid SANS trail permit to access our 3,500 kilometer trail system. Trail permits are available from our Member Snowmobile Clubs and various snowmobile service providers and businesses throughout NS. Please see individual club websites for information on which businesses sell trail permits.

Caution

Road Cycling Routes – Off Trail

Inverness County is a cyclist's dream for variety of cycling experiences both on the trail and on our roadways. We have put together a list of day or half day trips you may want to consider. While on an outing, plan to visit one of our many gift & craft shops, grab lunch at our friendly eateries, or take the time to enjoy a quick swim at one of our fine beaches or rivers.

Please remember that although Nova Scotia has legislated the "one meter" rule, and safe passage of highway traffic around road cyclists is mandatory, it is your responsibility as a cyclist to be cautious of road traffic and conditions. Make yourself highly visible and use proper hand signals for approaching traffic. Check out these ten suggested road route outings:

- Port Hood to Colindale to West Mabou to Mabou Coal Mines & Return
- Whycomogagh to Scotsville to Inverness and Return via West Lake Anslie
- Inverness to Scotsville to Southwest Margaree to Broad Cove Banks Road Return to Inverness
- Whycomogagh to Malagawatch to West Bay to Dundee Return
- Margaree Centre to Margaree Harbour and return via Margaree Forks
- Chéticamp to Plateau to St Joseph Du Moine and Return
- Bay St. Lawrence to Meat Cove and Return

Cape Clear Look-off via Margaree, St. Joseph Du Moine or Chéticamp
 Advisable to use local guides for various routes available

Bornish and St. Margaret of Scotland Pioneer Church via Melford—advisable to use local guides for various routes available

Inverness to Mabou via Cape Mabou - advisable not to cycle on signed "Cape Mabou" hiking trails. These managed trails do not permit cycling due to trail terrain sensitivity
